Joining Reggie will be Terry Mike Jeffrey. Terry Mike and his Band has been a regular performer on the Telethon of Stars for a number of years. He had to miss last due to a scheduling conflict, but brings his music back this year. Terry was born in Paducah, KY and was singing at the age of three and throughout his childhood and school years, he made records, TV commercials, jingles and played the lead in his senior play at Reidland High School. Terry is a singer, Emmy-nominated songwriter, entertainer, multi-instrumentalist, musical director, arranger, and actor. Terry has been fronting his own band since the '70's and has performed all over the planet. For more information visit [www.TerryMike.com](http://www.TerryMike.com).

Returning this year will be Eric Horner. Music has always been a major part of Eric Horner's life. Growing up in Paducah, KY, he spent most of his time playing and singing Gospel music all over Western KY, Southern, IL and Southeast MO. At the age of 19, Eric moved to Nashville TN to pursue a career as a professional musician, something he'd always dreamed of doing. It didn't take long for the doors to open and over the next 17 years Eric toured the world playing and singing with such artists as Lee Greenwood, Shania Twain, Wynonna Judd and Brad Paisley. In 2002, all of that changed. Eric began to feel a call on his life to return to his Gospel music roots and to use his talents for a higher purpose. He surrendered to full time music ministry and signed his first record deal in the Fall of that year and hasn't looked back since.
